Timothy R. Rugh

Executive Director, 3-A sanitary Standards, Inc.

The issuance of this replacement part system component qualification certificate (RPSCQC) is based upon the voluntary certification, by the applicant for it, that the equipment listed above conforms fully with the 3-A Sanitary Standards or 3-A Accepted Practices designated. Legal responsibility for conformance is solely that of the holder of this RPSCQC Certificate, and 3-A Sanitary Standards, Inc. does not warrant that the holder of an authorization at all times conforms with the provisions of the said 3-A Sanitary Standard(s) or Accepted Practice(s). This in no way affects the responsibility of 3-A Sanitary Standards, Inc. to take appropriate action in such cases in which evidence of nonconformance had been established.

Next TPV Inspection/Report due: **November 2020**
